

Winter 2018 Interlocal Issues (DRAFT)

February 21, 2018

West Glacier Community Hall, Glacier NP

Issue	Responsible Party
1. What are the Forest Service road maintenance plans this summer?	Primary: USFS
2. What are the post-fire response plans for the Gibraltar Ridge Fire as they affect the North Fork?	Primary: USFS
3. What is status of the Polebridge river access? Understand a new access will be put in below the bridge. When can we expect it to be finished?	Primary: USFS, Flathead County Secondary: Glacier NP
4. Are there still plans for controlled burns in the Trail Creek area? Hay Creek? Others?	Primary: USFS
5. Can we cut out the end-of-season doe hunt, at least for the North Fork?	Primary: Montana FWP
6. Will the check station at end of pavement ever be reopened? We noticed much more traffic from hunters this season, especially the last week of the season. Some of us are concerned that with no check station, the lawless hunters think they can get game out without worrying about enforcement.	Primary: Montana FWP
7. From a security and communications standpoint, have you looked into improving cell coverage up here?	Primary: Border Patrol
8. Does GNP have any facilities expansion plans to accommodate the increasing number of visitors that you are encouraging to visit? One-in-one-out merely exports the problem across the river, causing problems for residents, Forest Service facilities and general infrastructure.	Primary: Glacier NP Secondary: USFS, Flathead County, Border Patrol
9. What is the status of efforts to repair the Inside North Fork Road? Does the park have any intention of <i>not</i> repairing it?	Primary: Glacier NP
10. Is the park still going to divert overflow up the North Fork as it did last year?	Primary: Glacier NP

11. Does the park intend to do any significant maintenance (grading, at least) to the roads leading to Bowman and Kintla Lakes?	Primary: Glacier NP
12. Given the sharp increase in visitor levels along both sides of the North Fork, are there any plans to improve facilities along the river?	Primary: USFS, Glacier NP
13. Besides being illegal, does attracting game such as elk with salt/mineral blocks or hay increase the chances of spreading CWD?	Primary: Montana FWP
14. What is the status of the "Rivers Group"?	Primary: USFS/Gary Danzyk
15. What are the Forest Service road maintenance plans for the summer?	Primary: USFS
16. What are the North Fork trail maintenance plans for the summer?	Primary: USFS
17. What is the status of the mule deer population study? Are there any plans to at least shorten the mule deer hunting season?	Primary: Montana FWP
18. What is the current status of the north-end NF Road and GNP access road upgrades and repairs scheduled for next year? Is this project still good to go?	Primary: Flathead County
19. Are more logging projects scheduled for the Coal Creek State Forest?	Primary: Montana State Lands
20. Would it be possible to keep the locked gates across forest road 909 in the Coal Creek State Forest open a bit longer?	Primary: Montana State Lands
